

English

Key texts- Katie In London
Claude in the City

Non fiction writing

Leaflet about London which will include—lists, captions and sentences

Fiction writing

Write a postcard from Claude in the City

Write own versions of Katie in London

Grammar and Punctuation

Use full stops and capital letters

Use 'and' to accurately to join ideas

Write sentences by re-reading what they have written to check that they makes sense

Spelling

Use Phase 4/5 phonics to sound out unfamiliar words before writing them

Spell taught common exception words correctly

Handwriting

Letter formation—start and finish letters in the correct place

Ensure writing sits on the line

Reading

Apply Phase 5 phonics and skills to decode words

Accurately read common exception words

Speaking and Listening

Role play—following maps, giving instructions to each other

Working in small groups—taking turns

Mathematics

Place Value

Count in 1s forwards and backwards across 100 from any given number, count in 2s, 5s and 10s

Read and write numbers in words to 20

Give the number that is one more or one less than a given number

Addition and Subtraction

Know and use number bonds and related subtraction facts

Understand the symbols +, - and =

Add and subtract a 1 digit number to a 2 digit number and solve one step word problems

Fractions

To be able to find half and a quarter of a number or a shape

Use 'sharing' to find half and a quarter

Position and direction

Practise describing where something is and then give it instructions it to move—forwards, backwards, left or right.

Be able to take quarter turns and half turns

Science

Animals Including Humans

Identifying whether an animal is a carnivore, herbivore or omnivore.

Make observations to compare and contrast animals

Being healthy—think about the components of a 'healthy meal' - make something healthy—the children will decide what they want to make as a class

Seasonal Changes

To think about the changing of season from Autumn to Winter—What do you notice? Think about: the changing weather, the length of the day, what happens to the trees and how the animals cope with the changing season

Fair Test

Children to think of a question they would like to test and then decide on a fair test that can be carried out to test it. Children will then carry out the test and record what happens

Geography/ History

Mapwork

Identify the countries that make up the United Kingdom

Locate London on a map of England

Locate key features in Richmond on a map including the River Thames

Devising simple maps including a key

Use the terms North, South, East and West

Follow a route

Physical Education

Multi skills

Working on: co-ordination, ball skills and team games

Gymnastics

Copy short movements to combine simple balances. e.g. balance - travel - balance

Weekly mile run

To build stamina and fitness

London

Roe Class

Autumn 2 2017

Design & Technology

Making junk models of famous landmarks in London

Computing

Programming Beebots and Cubteto to follow directions.

Make up routes and then programme the beebot to follow them

Religious Education

Festivals

Hanukkah and Christmas—thinking about who celebrates these festivals, what traditions surround these festivals and why they are celebrated

PHSE and SEAL

Being a member of a community
What does this mean? How can we be good members?
Deer Park School Values and British Values

Art & Design

Observational drawings of the skyline thinking about line, shape, form and space

Experimenting by using different media to draw, paint and colour skylines

Landscapes and Cityscapes - Investigate Landscapes and cityscapes. Create a silhouette collage of London

Trips and visitors

Visit The London Transport Museum and take part in a 'Big Bus' Workshop
Take part in the school Christmas Concert

Music

Create 'Sounds of London'—class piece using untuned instruments
Nativity play songs

French

Short conversations—My name is, I am x years old...

Children in Need – Thursday 16th November

PTA Christmas party – Friday 8th December

Christmas Play – Tuesday 19th December

Trip to Aladdin – Wednesday 20th December

Break up for Christmas – Thursday 21st December

London

Year 1 - Autumn 2

This booklet will give you an insight into the different aspects of the curriculum we will be covering during this half term. Our main topic is 'London' and your child will be learning about the local area of Richmond, where it is in London and the key features of the capital city. They will be looking at maps, following directions and identifying London landmarks.

Our main learning this term will be focusing on:

- Consolidating knowledge of numbers from 1—100 - adding and subtracting them, counting in 2s, 5s and 10s and solving word problems
- Sentence structure, using full stops, capital letters and conjunctions
- Learning about the local area they live in and identifying London on a range of maps (UK, European, World)

Please use our 'open door' policy to share any concerns or worries that you have about your child. We are here to help and support you and ensure that your child has an enjoyable experience in Year 1.

Deer Park Team
