This afterschool club will be full of imaginative, sensory musical games with specific focus on learning an instrument such as percussion and recorders. Over the course of the term the children will have a basic understanding of the instrument and be able to play a tune by heart. Starting slowly and building relationships with the children will give them the time they need to become more confident. The classes will also involve music theory so the knowledge they take from these classes can be transferred to other areas of the school curriculum

Choir – Year 1/Year 2- Mrs Colenso (Maximum of 25 children)

(Only available for children currently booked in to choir)

Next half term we will continue to prepare for choir club members for the Richmond Borough Singing Festival in March. Choir will represent the school at this prestigious event and we will be focusing our rehearsals on learning new pieces specially written for the festival. Singing encourages expression through emotion and sharpens the ability to communicate while exercising lip and tongue movement. One of the biggest benefits of singing is the repeated use of the 'memory muscle' which in turn helps in all aspects of learning and development.

Please note: Due to the children already being half way through their rehearsals, this club will only be available for the children currently attending Choir.
