Dear Parents, Carers and Friends,

Welcome back to the second half of the Autumn term. The leaves are almost all down and we are bracing ourselves for the cold weather which I'm sure will follow.

We are delighted to have Miss Frost back in Marsh Class and we also welcome Miss Sophie Richards to the team. Miss Richards is a trainee teacher and will be spending the next few weeks working alongside Miss Coward in Year 3.

This week we have been very privileged to have had a visit from Major Roger Metcalfe who talked to the children about the Royal British Legion's **'EveryOneRemembered'** project. It is important for us all to think about why we look back on the past and why it is important to remember where we came from and what we can learn for the future. Major Metcalfe also presented the school with two brass poppies in honour of two fallen soldiers.

Wishing you all a relaxing weekend.

Alison Colenso

New Bling Blings!

Our very active school council wasted no time in organising new blings blings for the school. A competition was launched; winners chosen; and now we have 12 new stickers to collect for excellent attitudes to learning. Well done to Aaila, Aaran, Ates, Ayse, Buster, Charlie D, Daisy, Demir, Isabelle C, Lisset, Ogi and Sophia P. Everyone wants one of your designs!

Maths Mastery Parent Workshop

We were delighted to have such an excellent turnout for our recent parent workshop on Maths Mastery delivered

by our maths consultant—Robert Wilne. We think at least half of our pupils had at least one adult attending and the feedback has been incredibly positive with many parents now reporting they are better able to support their child at home.

If you were unable to attend and would like to find out more—the full presentation is available [here](#).

Our Behaviour Targets

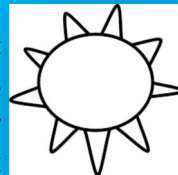

Last week we learnt all about Guy Fawkes and why the 5th November is such a celebration.

We learnt about how the guards did such a good job at protecting the king that the plot to blow up the Houses of Parliament up was foiled! We decided to use this idea to think about our HEART value of Thoughtfulness and looked out for the best interests of our friends.

This week is Diwali and Mrs Khurana led our Monday assembly and told us all about the story of Rama and Sita.

Diwali is a festival of joy and prosperity, and a celebration of the victory of good over evil.

We talked about fireworks and how this week in particular they could be celebrating Diwali or Guy Fawkes or both!

HI! I'm BAS. (Be At School). I like to spend my days in the class with the best attendance. I'll be in Marsh Class next week!

Golden Ties!

Last week we awarded Max in Fawn Class the golden tie. Max has had a fantastic start to his time at Deer Park. He is already showing all of the Heart values!

He is always happy, smiling at others and being an extremely thoughtful learning partner and friend.

Max passes on the tie to Emilia in Roe Class this week and the Bow Tie is being awarded to Ates!

Emilia is incredibly enthusiastic! She is always full of energy and excited to start the activities each day. Emilia is very curious and asks lots of interesting and imaginative questions about our class stories. Emilia is thoughtful to others and always checks to make sure everyone is happy at break times. Roe class a very happy class to be in!

Ates has demonstrated many HEART values in so many ways. He is always enthusiastic; putting his hand up in class and working diligently on his work. He is determined to achieve his best in lessons and listens carefully to instructions in order to do so. Often he comes to teachers and lets them know about others good behaviour and thoughtfulness.

Well done to all the golden awardees!

We have always believed that
teachers and parents working in
collaboration to educate children is
one of the most powerful ways to
ensure maximum progress. We were
delighted that so many of you attended
our recent maths workshop.

A very special visit from Major Roger Metcalfe. We are
remembering two fallen soldiers – Private Christian and
