School Aims

We aim to nurture confident, responsible, resilient learners who know how to keep safe; and to remain significantly above borough and national averages in attainment.

Upcoming Events

- **Parent Consultations—** 13th/14th March
- **Comic Relief—** Friday 15th March
- **Science Day—** Friday 22nd March
- **Singing Festival** (choir) - Tuesday 26th March
- **Mothers Day Breakfast—** Friday 29th March
- **Year 3 production—** Tuesday 2nd April—early evening - time tbc
- **Easter Bonnets and End of Term—** Friday 5th April
- **Back to school** - Tuesday 23rd April
- **Living Eggs Arrive—** Monday 29th April

Dear Parents, Carers and Friends,

What a busy two weeks! Wild Science; Football Tournaments; Astronomy; The Golden Hinde; London Aquarium; The Victoria and Albert Museum and the most beautiful and mesmerising cello recital by one of our wonderful mums—it has been non-stop—just the way we like it!

This time of the year is always exciting for us as we grow! Particularly as we have the annual challenge of expanding whilst waiting for the shiny new building. We are also starting our recruitment drive for September. Both these aspects are well in hand and I will provide updates over the coming weeks as appropriate.

Enjoy the weekend!

Staffing

At the end of this term Mr Macwilliam leaves us for pastures new in East Anglia. Mr Macwilliam is one of the founding members of staff at the school and he is leaving very big boots to fill! Mr Owen Hunte has been appointed to the role and will be spending time in school this half term for a thorough handover. In the meantime we shall be making Mr Macwilliam's last few weeks as memorable as possible—we will miss him enormously.

We are delighted to welcome Miss Kaniz to our support staff team. Miss Kaniz is assisting in breakfast club on Tuesdays, Wednesdays and Thursdays and at lunchtime on those days as well.

Many congratulations to Miss Asos on the safe arrival of baby Lawen. We are looking forward to meeting him very soon!

Class Teacher Vacancy—September

We are advertising for a new member of

teaching staff for our new class next year. Please do share the information with anyone who may be interested. All the details are available [here](#).

BPET Football Tournament

On Tuesday 26th February BPET organised its first ever inter-trust sporting competition in the form of a year 3 boys' football tournament.

The competition took place at AFC Wimbledon FC and included a guided tour of the stadium which gave the children the chance to see how a professional club looks from the inside!

During the competition there were some excellent performances from all of the children and we were particularly proud of the teamwork shown throughout the competition.

It was a huge success for Deer Park School, having won EVERY game but one. We finished 2nd in the tournament and definitely made a statement that Deer Park School is a force to be reckoned with!

The squad for this competition was:

Max Knox-Johnston, Eoin Boyle, Buster Douglas, Alfie -Emil Horner, Ates Morgul, Demir Morgul, Joshua Zinn and Ognjen Radosavljevic.

Wider Community

Over the last two weeks Year 3 have been been lucky enough to have some parents visit school to explain about their work as

part of our work in PSHE on the Wider Community. The variety of jobs that we heard about was excellent.

Zaid's mum talked about how important it is to have enthusiasm and passion if you want to become a doctor. The Triplets' mother explained about the importance of empathy in child psychology. James' dad talked about his fascinating scientific world of geology. Gabriel's mum has worked in a variety of fields including marketing in a chocolate company and making her own patisserie, which the children loved hearing about! Florence's dad explained about the complex world of insurance and provided some useful illustrations to bring it alive.

The questions that Muntjac Class asked the parents were very interesting and the pride with which they talked about their own parents' work was huge.

House Point Wins Spring 2

Posh Pencils, Bands and Pens

	Fawn	Roe	Marsh	Muntjac
Posh pencil	Inaya			
Green band			Zachary	
Silver Band			Hanan	Ogi
Gold Band				James
Pen				Buster Florence, Aanya

Fawn Class won last week and this week it is Marsh Class! Can anyone get 100%?

Week Commencing	Fawn	Roe	Marsh	Muntjac
25.02.19	98.9%	98.6%	95.7%	93.3%
04.03.19	98.8%	95.2%	99.6%	97.9%

Mrs Bracegirdle

Make someone happy

Last Monday we found out some of the things that really make Mrs Colenso happy when she is not at work. They include: climbing up mountains; making crochet blankets and baking cakes for her family.

We thought about the things that make us happy in and out of school. Then the challenge was set for us all to go and make other people happy.

International Women's day

On Friday 8th March it is International Women's Day. On this day we think about the role of women in society and celebrate their many achievements. In Reception the children have been talking about the inspiring women in their lives e.g. their mum, grandma, aunty or teacher. Year 1 and 2 have been finding out about Dr Mae Jemison—her achievements include joining the 50th shuttle flight as a mission specialist spending 8 days in space. Year 3 have learnt about Yuna Kim who has won various medals for ice skating.

Hi! I'm BAS. (Be At School). I like to spend my days in the class with the best attendance. I'll be in Marsh Class next week!

Golden Ties!

Last week we awarded Hector in Fawn Class the golden tie.

Hector has been working brilliantly lately and has such a positive attitude in everything that he does. He is keen to help every child in his class and to help the adults too! He always loves to make everyone laugh, but also knows when to concentrate and work hard. He has made huge amounts of progress over this half term due to his wonderful attitude and he loves to challenge himself. He loves being in the learning pit and is fantastic at problem solving and then helping others to get out of the pit too!

Hector passes on the tie to Zach in Marsh Class this week and the Bow Tie is being awarded to Demir.

Zach has demonstrated resilience in order to gain the Golden Tie. The journey has been challenging and Zach has had to work very hard for this honour. Zach has been very enthusiastic over the past few weeks, especially in regards to his house. He has been earning as many house points as possible through achieving well within his learning, as well as being polite in class and being a great helper to Miss Frost. Well done Zach, we are all so proud of how hard you have worked to receive the Golden Tie. Do wear it proudly around the school next week, we can't wait to see you shine!

Demir—you have achieved so much this year. So many questions and so many brilliant contributions. You always ask for a definition if you are not sure. In maths you are a star! You have worked hard on your written reasoning and problem solving; they are now comprehensive. You are a superb sportsman with the scrapes and bruises to prove it on your knees. Demir - the Golden Bow Tie is yours!

Well done to all our golden awardees!

Stars of the Week!

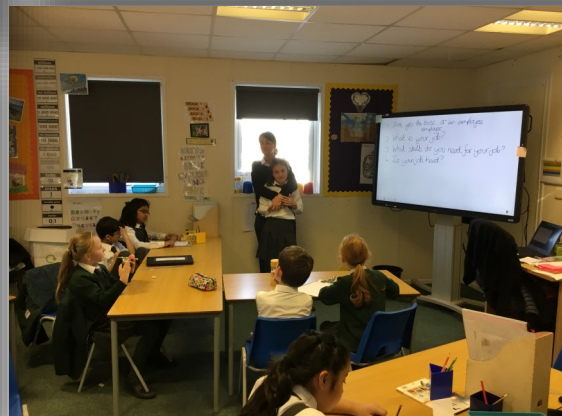

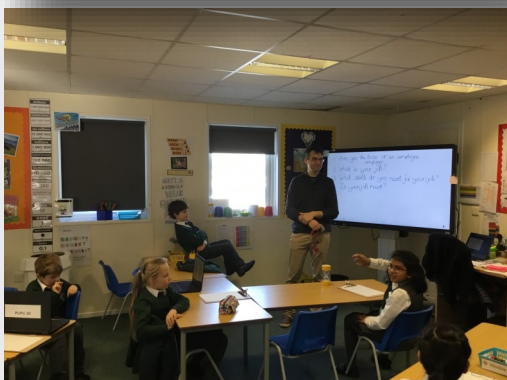

Week Commencing	Fawn	Roe	Marsh	Muntjac
25.02.19	Felix	Astrid	Holly	Janek
04.03.19	Maya	Veronica	Scarlett	Zaid

Have a lovely weekend!

The Deer Park Team

Wild Science! Some of us were brave enough to hold the snake!

The football tournament was a fantastic event—our Year 3 boys thoroughly enjoyed it!
