## English

We have been using 'The Romans: Gods, Emperors, and Dormice' to learn about Roman myths. This week the class used descriptive language, past tense and adverbs to retell the Roman creation myth. Next week the class will be learning the story of Romulus and Remus and plan their own Roman myth.

## Maths

This week we have been learning to round to numbers to 10 and 100. The class used their knowledge of multiples of 10 and 100 and number lines to round.

## Wider Curriculum— History/Art

This week the class have been researching the Roman Army. They have learnt about the weapons they used and how they defended themselves in battle. The class researched Roman shields and the symbolism of their designs. They designed their own shield using their knowledge of Roman gods and myths. In DT the class will make and decorate their own Roman shield.

Thank you to everyone who was able to attend the Key Stage 2 Curriculum workshop. We will make the presentation available to you.

Spellings have been sent out this week. New spellings will be given each Monday and tested the following Monday. Please continue to practise these spellings at home.

Mathletics tasks have been assigned to your child.

*Lisset*

Lisset has been brave and courageous this week! You gave a fantastic speech to the class and I hope to hear your confident voice a lot more during 'expert mode'

Well done, enjoy your extra special cushioned chair next week!
