

Friday 27<sup>th</sup> September 2019

Next week we will be reading the book 'I hear a pickle.' We will be learning all about our different senses!

In literacy we will be writing and drawing about the different things that we see on our way to school.

In maths we will be shopping for different foods - we will be counting out the number of items in our baskets and comparing them.

In topic we will be having a 'taste test' - the foods we will be trying are; lemons, milk chocolate (nut free), pickles and plain crackers - please speak to Mrs Zanini, Miss Philip or Mrs Tucker if you have any concerns with this.

On our welly walk we will be completing a 'listening bingo' activity and will be using our ears to hear all of the sounds around us in the park.

Please remember to bring a water bottle in every day.

Please ensure that PE kits are kept in school and are clearly labelled.

Please don't worry about writing in the Yellow Reading Record, but please keep it in the book bag so that we can keep a log of the books that have been sent home.

**Vocabulary for the week...**

**Senses, hearing, sight, touch, taste, smell.**

*We are pleased to see that dropping off in the mornings is much less busy at lots of you are saying goodbye at the steps or ramp. We know some children sometimes struggle to say goodbye in the mornings but please be assured that after a moment or two they are totally fine. We strongly encourage you to try to leave them at the steps and ramp and please don't hang around in the outdoor area after saying goodbye as the children will be busy starting their day. Thank you so much for helping with home time by standing either by the ramp or steps depending on the class that your child is in.*

*We are still working on our mini beast hotel - please continue to bring lots of resources in that might help us with this!  
We would also love plenty of crunchy leaves too!  
We are so grateful for all of the junk modelling that has been sent in - keep it coming!*

*Remember to work with your children to support them in becoming more independent with getting changed.  
The weekends are a great chance for the children to take the time to practise getting changed into their own clothes.*

#### Show and Tell

*Show and tell takes place on a Friday afternoon, please only bring your show and tell in on this day. We ask that children try not to bring in a toy but bring something about themselves or their families.  
Next Friday the children doing show and tell will be...  
Bambi - Finlay, Giselle and Harrison  
Fawn - Zeynep Ece, Ruby and Padraic*

*Leora is the Star of the Week in Fawn Class for showing such resilience and fantastic listening.*

*Nicholas is Star of the Week in Bambi Class for wonderful carpet behaviour and being such a great role model to others!*

*Well done*

*Our Home Challenge this week is to use our senses! What things have you seen, smelt, heard, touched and tasted?*
