

Friday 17th October 2019

Next week we will be reading the book 'Funny Bones.' We will be talking about big, small and medium.

We will be focusing on the season of Autumn and in particular Harvest.
We will be making our very own bread in school from following instructions.

Please remember to bring a water bottle in every day.

Please ensure that PE kits are kept in school and are clearly labelled.
Please continue to work with your children to support them in becoming independent in changing into their uniform..

Vocabulary for the week...

Autumn, Harvest, crop, wheat, bread, leaves, colours, change

We are going to do lots of measuring, comparing and weighing – as well as some messy play!

We would love every child to bring in a pumpkin or squash for us to use in the classroom!

We would also love some more autumn leaves for us to do some leaf printing!

Small Donation

A number of Parents have very kindly expressed a desire to give an extra donation to help with the school's EYFS fundraising; particularly with regards towards EYFS items. We really appreciate this generous offer and if anyone else would like to donate, there is a new payment item on Arbor called EYFS Enrichment Fund. All parents in Reception classes have been assigned to it so you can make the voluntary donations.

Show and Tell

Show and tell takes place on a Friday afternoon, please only bring your show and tell in on this day. We ask that children try not to bring in a toy but bring something about themselves or their families.

Next Friday the children doing show and tell will be...

Bambi - Oscar, Rhona and Cagla

Fawn - Xander, Arya, Oscar

Dexter is the Star of the Week in Fawn Class for writing his name and for following instructions.

Odhran is the Star of the Week in Bambi Class this week. We are so impressed with how keen Odhran has been to use his phonics in his free flow and his fantastic concentration on the carpet!

Well done!

A book will be sent home with the class teddy, please fill in the white page and stick pictures on the black page! We love hearing about how you have spent the weekend!

This week we are adding some new sounds and the word 'and' to your phonics envelopes! We have heard that lots of the children have been using them lots at home - fantastic!

Our Home Challenge this week is to bake something! We would love to see what you have baked and hear about the different ways that you used maths while baking! How many spoons for sugar did you need? How many chocolate chips did you add? Did anyone eat one so that there was one less?
