

Friday 4th October 2019

Next week we will be reading the book 'Can't you sleep little bear' we will be talking about how Big Bear helped Little Bear and beginning to think about people that help us.

In our literacy activity we will be talking about what we would like to be when we grow up.

In maths we will be using different 'Numicon' to make numbers up to 5.

In topic we will be sorting the items for a baker and a fire fighter.

In Numbers and Patterns we will also begin to explore the word 'Estimate' and on our welly walk we will be collecting leaves in a timed period and estimating how many we think we have collected, we will then be counting them out.

Please remember to bring a water bottle in every day.

Please ensure that PE kits are kept in school and are clearly labelled.

Please don't worry about writing in the Yellow Reading Record, but please keep it in the book bag so that we can keep a log of the books that have been sent home.

A gentle reminder that all children should be in winter uniform by now.

Vocabulary for the week...

**Grown up, police, fire fighters, ambulance,
doctor, nurse, post man**

We are loving all of the junk modelling and leaves that have been coming in to school and have been putting them to good use in our learning this week!

Next week we are looking for;

Very large cardboard boxes that we can turn into emergency vehicles in our outside area

Any items that you no longer want at home related to people that help us (for example police hats, police radios, stethoscopes)

We are also wondering if any of our wonderful parents have a career in the emergency services and would like to come and do a little presentation to the children! Let us know if you do!

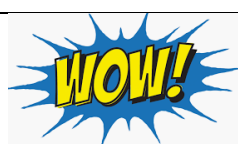

Remember to work with your children to support them in becoming more independent with getting changed.

The weekends are a great chance for the children to take the time to practise getting changed into their own clothes.

Tapestry

We are going to start using Tapestry as of Monday. We have received most forms stating that you would like us to use this as a form of communication with you as parents and assessment for school. Please ensure that you do let Mrs Tucker, Miss Philip or Mrs Zanini know if you would not like your child to take part in this.

We are sending home WOW moments for you to fill out at home! Keep them to bring into school at any time throughout the year to celebrate something your child has done at home!

Come and ask for more if you use them all up!

Show and Tell

Show and tell takes place on a Friday afternoon, please only bring your show and tell in on this day. We ask that children try not to bring in a toy but bring something about themselves or their families.

Next Friday the children doing show and tell will be...

Bambi - Kayne, Keisuke and Elsa

Fawn - Grace, Dexter, Ramona

Felix is the Star of the Week in Fawn Class for always being ready to follow instructions and for being so thoughtful with his friends.

Sophie is the Star of the Week in Bambi Class this week. We are so impressed with how busy she has been in both the inside and outside classroom and have loved seeing her use her phonics sounds in her play!

Well done!

A book will be sent home with the class teddy, please fill in the white page and stick pictures on the black page! We love hearing about how you have spent the weekend!

Our Home Challenge this week is to think about the people that help you in your life, take pictures of them and talk about how they help you. You could also think about how you help others too!
