

Friday 13th December

We have a busy week next week, full of rehearsals for the Christmas Play, parties and Christmas dinner and a trip to the theatre! Don't forget about our Christmas Play taking place on the 18th at 2 o'clock in the RACC Theatre.

Two tickets per child - younger siblings are welcome as long as they sit on your lap, otherwise they will need to use a ticket to sit on a chair. Tickets are in book bags today - please bring them with you on the day.

Vocabulary for the week...

Father Christmas, Christmas, Santa, gift, sack, cracker, letter, reindeer, magic

Ruby is our star of the week in Fawn class. Ruby has been fantastic at completing her busy time this week.

Stefan is Star of the Week in Bambi Class for being such a kind friend to so many children in Reception!

Well done!

A book will be sent home with the class teddy, please fill in the white page and stick pictures on the black page! We love hearing about how you have spent the weekend!

The Reception School gate closes at 8.55 sharp. Please ensure that you are in school by this time. If you arrive after this time please go to the school office to sign in. Mrs Bracegirdle is so impressed with how grown up the children are and the way they come in to class on their own - well done to all the children!

Please ensure that you are looking in book bags regularly throughout the week as there are often important letters that are sent home.

*Our final welly walk for this term will be on Friday 20th in the afternoon, please take wellies home after this.
We have had our last PE session this week and so PE bags can go home to be washed.*

Show and Tell

Show and tell takes place on a Friday afternoon, please only bring your show and tell in on this day. We ask that children try not to bring in a toy but bring something about themselves or their families.

Next week the children doing show and tell will be...

Bambi - Giselle, Harrison and Kayne

Fawn - Leora, Dexter and Felix

Thank you so much to so many people for putting their lovely preparations for Christmas up on Tapestry - we really love seeing what you are up to!

This week go on a shape search! The children are very interested in the differences between 2d and 3d shapes! What can you find out and about?
