Maths

This term the class will be concentrating on multiplying and dividing. We will be following the steps below, moving from informal to formal methods of multiplication and concentrating on the 'how and why'.

▶ Multiply by 10	▶ 11 and 12 times-table
▶ Multiply by 100	▶ Multiply 3 numbers
▶ Divide by 10	▶ Factor pairs
▶ Divide by 100	▶ Efficient multiplication
▶ Multiply by 1 and 0	▶ Written methods
▶ Divide by 1 and itself	▶ Multiply 2-digits by 1-digit
▶ Multiply and divide by 6	▶ Multiply 3-digits by 1-digit
▶ 6 times table and division facts	▶ Divide 2-digits by 1-digit (1)
▶ Multiply and divide by 9	▶ Divide 2-digits by 1-digit (2)
▶ 9 times table and division facts	▶ Divide 3-digits by 1-digit
▶ Multiply and divide by 7	▶ Correspondence problems
▶ 7 times table and division facts	

Wider Curriculum

This term we are conducting a local study in Geography of The Lake District. The class have been really interested to learn about a different part of the UK. If you have visited the area and have any maps, photos or artefacts we would be very happy to share them in class.

Max

For participation and resilience in lessons.
