

Friday 10th January

Welcome back! It is wonderful to see everyone again and we are so pleased to hear that you all had a restful break.

The children have worked very hard this week - we are so impressed. Next week we will be reading Jack and the Beanstalk and we will be focusing on sequencing the story and writing captions for different parts of the story. We will also be estimating with jelly beans.

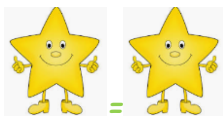

We will be investigating with planting beans and jelly beans and predicting what we think might happen!

We are looking for two parent readers to come and read with Bambi Class, we would like one on Tuesdays 1.30 - 2.30 and Thursdays 1.30 - 2.30 starting as soon as possible. If we have lots of interest we will work on a first come first served basis but will change adults each half term.

Currently Fawn Class have enough support with reading but I am sure we will be looking for more helpers soon!

Thank you for all of your support!

William is the Star of the Week for Fawn Class for being very thoughtful with his friends and being a great helper in the classroom.

Esme is Star of the Week for Fawn Class for being such a kind and thoughtful friend with everyone and particularly looking after others when they need help.

Show and Tell

Show and tell takes place on a Friday afternoon, please only bring your show and tell in on this day. We ask that children try not to bring in a toy but bring something about themselves or their families.

The children doing show and tell will be...

Bambi - Nicholas, Mikey D and Oscar

Fawn - Inaaya, Ruben and Oscar

Vocabulary for the week

Giant, poor, clouds, eggs, scary beans, jelly beans, beanstalk, boy, Jack, mum, hen, gold, steal, climb, cow, castle

We are going to be building our own magical beanstalks using junk modelling next week. Please bring in all of your recycling and junk modelling to help us get creative!

Don't forget to keep reading the Red books that are coming home each week, please do write in the yellow reading record book to let us know how they are getting on with it!

Our Home Challenge this week will be to put your family in size order! Can you measure a member of your family? Record this in the Home Challenge book or on Tapestry!
