

Sika Class Newsletter

14.2.2020

The class have made AMAZING models of The River Derwent and used them in science to explain each part of the water cycle. Ask your child the definitions of:

Evaporation
Condensation
Precipitation
and
Accumulation

Women in Science

This week Year 4 celebrated International Women in Science day and found out about lots of engineers, mathematicians, inventors and scientists, Including—Ada Lovelace, Jane Goodall, Mae Jemison and Marie Curie.

Tate

For hard work and enthusiasm! You come to every lesson interested, prepared and ready to do your best!
